## EXPERIENCE

### Marketing Specialist
Jun 2023 – Present
**Edwards Garment**

- Serve as the primary owner of EdwardsGarment.com, managing site content, product updates, ERP integrations, and customer-facing issue resolution.
- Manage UniformAdvisors.com and EdwardsX.com for brand alignment, mobile responsiveness, and strong organic and paid visibility.
- Grow digital leads 107% (366 in 2023 to 758 in 2025) through full ownership of paid and organic campaigns.
- Eliminate agency spend ($50K saved), streamline budget allocation (additional $50K saved), and nearly double lead volume.
- Build advanced HubSpot CRM and marketing workflows, customizing the platform to fit the specific needs of both the sales and marketing teams, including automated outreach sequences, internal alerts, and pipeline management.
- Represent Edwards at major national industry events, deepening distributor and client relationships.

### Founder
Mar 2025 – Present
**Lake Michigan Marketing**

- Using GoHighLevel as a live test environment for CRM integrations, n8n automations, and workflow experiments, while building out client-ready systems and exploring what this could grow into.
- Developing a web platform using AI-assisted tools and GitHub, with hands-on experience in version control, domain management, DNS configuration, and deployment basics.
- Building affordable digital ecosystems for small businesses, connecting marketing, CRM, and automation tools to drive lead generation and sales growth.

### Marketing Intern
Oct 2022 – Apr 2023
**Homer Stryker MD School of Medicine**

- Executed targeted Mailchimp campaigns reaching 6,000+ potential donors; led events attended by 300+ community members.
- Designed social media content and in-house digital displays to boost community engagement and visibility.

### Digital Marketing Consultant
Jan – Mar 2023
